Application Cover Sheet

Dear Applicant,

Thank you for your interest in the Williamsburg Foundation for Rehabilitation Equipment and Endowment (F.R.E.E.). We hope to assist you in your current time of need. Enclosed is an application and information about our foundation. **Your application can not be processed until it is completely filled out and all requested information is attached.** Please refer to the check off list in this packet to ensure that your application is complete before it is mailed or faxed. We may contact you after receiving your application to gather further information about your needs or proof of income.

The F.R.E.E. Foundation hopes to assist you as far as possible. However, the approval of your request is dependent on several factors. F.R.E.E. may approve your request fully or partially, depending on devices that are available to us. F.R.E.E. recycles gently used items donated by the community. Therefore, the items we have available may vary at any time. As well, requests are dependent upon meeting criteria for assistance. F.R.E.E. is considered a provider of last resort and attempts to provide assistance when no other resources are available.

Please note that, like a Physician's prescription for medicine, a Physician's prescription is also required for medical equipment. It must be sent with the application. If you are requesting a power chair or scooter please have your physician complete a "Letter of Medical Necessity" (a form is provided on <http://www.free-foundation.org>). This will provide us with more insight to your situation. **F.R.E.E. does not gift respiratory equipment such as nebulizers.**

**** If approved, all items gifted to you are yours, and are your responsibility to maintain.**

Sincerely,
Diane Harrah, Program Assistant
